Term 1 – February 22, 2019

Tena Koutou Katoa,

This week has been busy. Children have been undergoing the beginning of year testing. This enables teachers to see where they are at.

One of our school values is 'Resilience'. At Aranga School we aim to develop self-managing resilient and confident learners. We want our children to believe in themselves and manage themselves. We also encourage our students to take risks and have a 'give it a go' attitude. With that we want our learners to know how to accept disappointment and respond to it positively.

Whanau Shared Pot Luck Dinner.

Thursday 28th February
from 6pm-8pm.

See you all there.

I have been battling with our schools pool and slowly we are getting there. It certainly takes many hours to have it up to speed. I have my fingers and toes crossed that we will be in it next week.

THANK YOU

To Julie & Sam Burke for all their time and effort in fundraising for our school at the recent Donnelly's Crossing Picnic Day. Also to a huge thankyou to Sandra Malone who also dedicated her time and donated food. Thanks to the few who donated some baking. We are certainly most grateful with a total of \$441.00 raised.

On that note, Saturday 30th March is the Kauri Coast Surfcasting Competition at Omamari.

Our school will benefit from it this year. We will be doing quick fire raffles on that day. If you are able to assist, please let me know.

On 4th & 5th March we have E.R.O. (Education Review Office) visiting to look at the progress made. There have been many positive shifts over the last 12 months. I'm looking forward to show casing them with the E.R.O Team.

Sport was a winner.

Great to see rugby back. Can't wait for R.W.C. Black Caps made it look easy.

Ryan Fox had an easy win. On Wednesday a few marlin were caught off our beach. Roll on some weekend flat weather so I can get out and chase them too!

Tightlines

T.W.

SENIORS WATER SAFETY BEACH DAY

On Friday 8th March the senior class will be participating in a "Have A Go" Water Safety Beach Day held at the Kai Iwi Lakes organised by Sport Northland.

A Consent/Medical form has been sent home with the students today and these need to be back on Monday as the Water Safe Leader in Whangarei requires them before March 1st. A bus has been organised for transport. No form—no go!

ABSENCES

If your child is going to be absent from school please inform us either by the website, note or a phone call.
