

Kia ora Aranga School Whanau,

I would like to introduce myself. My name is Q'West Middleton.

I am a Year 8. I reside here in our district of Aranga with my family, my mum, my dad and my 9 siblings.

I come from a dairy farming background but also enjoy hunting, fishing, music, my maori culture and have strong family values.

I think I have a lot to offer as a school councillor because with such a large family I believe I can relate to a lot of different personalities. I'm sure you are all aware I have had my challenges with school but I have also learnt from this and it has made me much better person for my peers to talk to.

I believe I am approachable ,easy going, funny, a good listen one off my biggest goals as a school councillor is to help the students teachers and families work as one and to grow our school to be the best small rural in the Kaipara district
