Term 3 – 5 August, 2021

Kia ora Koutou Katoa,
Greetings to you all,

Welcome to Term 3. Warm welcome to Charlotte Carter who is Cameron's sister who has started in Room 2. Both classrooms have settled in well to Term 3. Thank you to all those parents/caregivers who came to our Parent/Teacher Interviews. We had a great turn out. It is always positive talking about our children's successes and how we can together, help our children's learning journey.

On Tuesday this week we had Jo King from St Johns come to the school to present a defibrillator which was won by our school. This is a special piece of equipment which will be placed on the school premises to service our community. We are very proud to have this here. I hope it doesn't have to be used but it is here for our schools community if needed. Our children have all learnt how to use it.

Thanks to St Johns and to the Dargaville St Johns Committee that has also gifted the box it will be placed in.

Winter Bugs: We are currently experiencing very high levels of illness affecting our children at the moment, coughs, sore throats and tummy bugs. This is also the case in Dargaville and wider Northland. We appreciate your support in keeping unwell children at home.

We have a couple of friendly cats with collars on, hanging around the school. If you recognize them please come and get them.

The Mobile Ear Clinic will be in Dargaville on Wednesday 11th August at St Johns Ambulance Centre from 9am-2.30pm.

Sport was a winner.

NZ is doing very well at Tokyo Olympics and we are enjoying the coverage. Well done Team NZ!

Well done to the Dargaville Western Sharks in winning the Northland Premier Rugby Competition. The final was a nail biting affair.

Roll on the AB's next challenge.

Tight lines

TW

ARANGA SCHOOL CALENDAR TERM 3 2021				
Monday	Tuesday	Wednesday	Thursday	Friday
2	3	4	5	6
9	10 Firewise Education	11	12	13
16	17	18 BOT Meeting	19	20

13	14	15	16	17
20	21	22	23	24
27	28	29	30	1 October Last Day of Term

Room 2 had great success growing cauliflowers this year - look how big they are! They enjoyed learning how to make a healthy side dish using them and taking home the recipe to try at home.

Look how much soft plastic Room 2 collected last term! It has all been taken to the Recycling Centre at Countdown, saving our landfill from unnecessary plastic waste.

"Motivation is what gets you started. Habit is what keeps you going." - Jim Ryn
