Term 3 – September 1, 2022

Kia ora Koutou Katoa,
Greetings to you all,

Term 3, week 6. Spring is finally here.

This week we had 3 students run in the Northland Cross Country at Barge Park in Whangarei. West Anihana-Dunn & Phoenix Mason 9yr boys and Rogue Tane-Hohaia 11yr boys. The weather was somewhat cool with light showers. The course was certainly challenging and each race had large entries. The 9yr boys had a field of 137 runners and the 11yr boys also had high numbers with around 80-85. West 63rd out of 136
Phoenix 101st out of 136
Rogue 61st out of 86
The boys did well. We are looking forward to Northern Wairoa next Friday the 9th September @ Te Kopuru.

Also huge congratulations to our Body Jam girls Porscha and Cassius who competed in the Year 3 & 4 pairs at Dargaville Intermediate and danced extremely well to gain third place. It was fantastic to watch and they did themselves proud. Ms M and Mr Warmington were also very proud of your efforts.

BUSES

Thanks to all for your patience during our schools breakdowns this week.

PROPERTY UPDATE

This week work commenced on our water and sewerage upgrade. This work should be completed over the next 10-12 days. All going to plan.

MOE

Last week Tanya Petrove (head advisor of School Education Team) visited Aranga School. She was impressed with the work undertaken by our school. She also highlighted the new signage and how wonderful it looked. We also had Letia Hauraki from the MOE Ka Ora Ka Ako visit.

SHOWDAY 2022– Friday 5th November,
term 4, week 3. Pencil this date into your diaries.

Sport was a winner.

Last week Abs game, no comment (think I am starting to sound like Fossy lol). On Monday I travelled to Auckland to watch the NZ Tall Blacks basketball team play Jordan. Fantastic game, great win. They have now qualified for the Fifa Basketball World Champs in 2023.

Aranga School BOT Elections Candidate Statement

Kia ora koutou katoa,

My name is Rachel Dunn. I live in Waikara with my partner, three of our six children and two dogs.

Since the first COVID lockdown we have been building and developing our home here in Waikara, creating an off grid sustainable way of living for our whanau.

Seasonally I work for Waipoua Forest Trust supporting the current project on the Pukemiro block at Hood Road, raising and planting native trees.

I was born and raised in Dargaville where my whanau still live. I moved to Christchurch after leaving Dargaville High School to pursue a career in early childhood education.

I have worked in numerous education environments in Northland and held a number of roles. The most recent being a manager of a large early childhood centre in Whangarei.

When we do have spare time, you can find us supporting our marae with wananga, hui and fundraising, at the beach gathering kai or spending time with our extended whanau.

The opportunity to join the Aranga School Board of Trustees would allow me to bring my skill set of education, whanau and community to this space.

Nga manaakitanga
Rachel
